

# Joyful Affirmations

I am a loving, joyful person.

I am safe.

I am welcomed with joy wherever I am.

All is well in my world and life gets better all the time.

I peacefully move toward my hopes and aspirations.

I am a joyful breeze entering a room.

Great things are coming to me daily.

I feel creative, inspired, joyful and vibrant.

I feel abundance all around and within me.

Everything is working out for my highest good.

I am aligned with my true spiritual nature.

My heart is filled with Joy.

My life is full of joyful surprises.

I am joyful everyday and create joy for others.

I am loved by friends, family and complete strangers.

I see endless possibilities before me.

I love, accept and approve of myself.

I am attracting joyful people into my life.

I take action and produce great results.

I relax and enjoy life. Whatever I need to know is revealed to me in the perfect time and space sequence.

I choose to be a messenger of hope and inspiration.

I am open to receive.
